

threat to our environment, our economy, and our future. That is one of the reasons I was so proud to support the bipartisan infrastructure law, a generational investment in clean energy jobs and technology, like solar.

This investment is critical for the communities I represent, which are already working to advance clean energy technologies at home in Illinois. Just last week Mundelein, Illinois, was awarded the Department of Energy's SolSmart Silver award for making it faster, easier, and more affordable for communities to utilize solar energy.

We owe it to our families, communities, and future generations to create climate change solutions. Thanks to the bipartisan infrastructure law, that is exactly what we are doing.

#### CONGRATULATING PRESIDENT AMIRIDIS

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, I appreciate the University of South Carolina Board of Trustees selecting Dr. Michael Amiridis as the new university president. As established by Dr. Harris Pastides, he continues the importance of Greek heritage so meaningful for the people of South Carolina.

Having previously spent over 20 years on the USC campus, President Amiridis returns from the University of Illinois at Chicago, where he has been chancellor. As President Amiridis is already familiar with the university community, I am confident that the school, branch campuses, and students will benefit from his appreciation of the extraordinary Gamecock traditions.

Shortly after being selected, President Amiridis said, "Through academics, research, and its vibrant culture, the university system is critically important to the people of South Carolina and to the State's future. I feel privileged to be able to lead this great institution."

In conclusion, God bless our troops, who successfully protected America for 20 years, as the global war on terrorism continues, moving from the safe haven in Afghanistan to America.

#### REMEMBERING MIKE DUFFY

(Mrs. MILLER-MEEKS asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. MILLER-MEEKS. Mr. Speaker, I rise today to recognize the life of a well-known and generous man from Davenport, Iowa. Mike Duffy passed away peacefully on January 21 surrounded by his loved ones.

For the overwhelming majority of his life, Mike called Davenport home. He began working at the age of 11 and did not stop until his retirement. He helped his father, John, grow the fam-

ily business, Per Mar Security, into an Iowa institution.

Mike worked a number of jobs throughout his life, and he always treated everyone from all walks of life with equal respect. That is just who Mike was, and he has made the lives of everyone around him better because of it.

Mike's long list of accomplishments include being recognized by the Iowa Business Hall of Fame, the Quad Cities Area Junior Achievement Hall of Fame, and the Security Industry Hall of Fame. Mike served the Quad Cities around the clock, serving on multiple boards and committees, including the Davenport Chamber of Commerce, St. Ambrose University, and the Handicapped Development Center, just to name a few.

Even at his visitation, his employees told his wife, Linda, about his selfless service in delivering the Sunday paper to them for the coupons, even though he read it online. Mike worked his entire life to support his family, his friends, and his community.

Mike's wife, Linda; their children; and 31 grandchildren are in my prayers.

#### CONGRATULATING DOUG WEATHERS

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to honor the accomplishments of Doug Weathers, the longtime WTOC Savannah broadcaster who was recently inducted into the Georgia Association of Broadcasters Hall of Fame.

Doug has been a titan of Georgia broadcasting since 1962, when he first began presenting the news.

Starting in 1954 as a film editor, Doug worked his way through running the projector, operating studio cameras, and helping with production until he was tapped to host. When it comes to news, Doug truly is a jack-of-all-trades.

Doug helped WTOC news reach the top of their local ratings and remain there during his tenure. In 1973, Doug left WTOC for WJCL because they had the ability to broadcast in color, and he helped springboard them to number one in the local ratings.

When Doug eventually returned to WTOC, he helped bring their evening news back to number one, where it remained until his retirement in 2001.

Having worked in every aspect of a television studio, Doug has helped modernize and popularize local news throughout our State. We are very grateful for his years of service and congratulate him on this historic accomplishment.

Congratulations to my friend and my neighbor.

Mr. Speaker, I rise today in support of H.R. 5577 to designate the facility of the United States Postal Service located at 3900 Crown Road Southwest in Atlanta, Georgia, as the "John R. Lewis Post Office Building".
